BUILD #400

*Much to celebrate.
More to come.*

Grand Harbor Community Outreach is a 501(c)(3) not for profit organization founded in 2001.

We engage in fundraising within the Grand Harbor Golf and Beach Club and Grand Harbor and Oak Harbor communities of over 1,300 homes and currently provide financial assistance to over 30 non-profit agencies dedicated to helping the needy in Indian River County.

What We Do

Each year, we connect with hundreds of Grand Harbor residents through a variety of fundraising events and direct appeals for contributions. Our Philanthropy Team of over 40 volunteers reviews all grant application, meets with board and senior management of **each grant applicant, conducts a careful analysis of financial reports and makes a funding recommendation to our Board which has final approval** for all grants. We focus on funding programs that address the needy through education, the strengthening of families and jobs.

100% of contributions go directly to needy recipients

Because of the generous giving of corporate sponsors, we are able to cover all of our general expenses including printings, mailings, accounting and insurance. **Every sponsorship helps us fulfill our promise to our donors that 100% of their contributions will go to approved non-profit agencies** that so desperately need our help. We are an all-volunteer organization with no paid staff.

Various sponsors have mentioned that they originally joined our **efforts, in part, because of the exposure their company gets to over 2,000 individuals and club members in Grand Harbor.** But in addition, they choose to partner with our charitable mission because of our extensive vetting process to ensure all grants go to worthy agencies that will use the money wisely.

Whenever possible, we encourage Grand Harbor residents to use the services of our corporate sponsors.

Over \$6 million in funds provided to Indian River County charities since 2001
